DENTAL DIRECTORY OF NORTH CAROLINA
DENTISTS AND DENTAL HYGIENISTS

April 1, 1973

issued by

North Carolina State Board of Dental Examiners
P.O. Box 12546
Raleigh, North Carolina 27605

The seven digit number that appears immediately to the right of each dentist's name is a code number that indicates (1) year of birth; (2) school of graduation; and (3) year of graduation. The first two digits of the code number indicate year of birth, the next three digits indicate school of graduation, and the last two digits indicate year of graduation.

A list of code numbers and corresponding dental schools attended by dentists licensed in North Carolina are listed in the back of the Directory.
